THE 1949 SCARLET "S"

Published by
THE SENIOR CLASS OF SHELBY HIGH SCHOOL
SHELBY, OHIO.

DAVID HECK AND
LUCILE CLARK,
CO-EDITORS

LOU ELLEN FIREOVED,
BUSINESS MANAGER

Mr. J. E. McCollough, principal, conducts the first session of the school year in the auditorium. Tuesday, September 7, 1948.

THE OPENING DAY OF SCHOOL

It was one o'clock—the day was hot—the first day of school had arrived. One by one the pupils of Shelby High School struggled to gain entrance into the auditorium. They waited until the principal came to officially open the new school year.

The auditorium looked wonderful. During the summer months the school staff had worked to repaint the entire auditorium and the gymnasium. It was good to view the attractive decorations around the stage. The walls were clean and attractive. The floors were shiny.

The inevitable had come. September 7, 1948—Tuesday—that day will live in the memory of all the seniors. That day was the last opening day which the seniors would attend at Shelby High School.

With this in mind, the yearbook has been arranged to give each senior and each pupil attending this school a pictorial account and review of the happenings of the school year 1948-1949.

CONTENTS

The 1949 SCARLET S is composed of six large sections, namely, Seniors, Faculty, Classes, Athletics, Activities, and Advertising.

DEDICATION

Doctor Edward D. Dowds

Any community that can point to the service of one citizen when that service has been sacrificial at various times can really say: "That man is truly a splendid citizen, a true friend to the members of this community." That is what can be said of the service of Dr. Edward D. Dowds.

For the past twenty-three years, Dr. Dowds has been a member of the Shelby Board of Education. He was first elected to this position by a large majority on November 3, 1925, and took office the following January. He has held that office continuously since that time.

Dr. Dowds has seen the school system

of this city grow and improve. He has taken an active interest in all school activities. It has been stated that he would not miss a football game. His inspiration has been welcomed by community, by the school authorities, and by the school personnel.

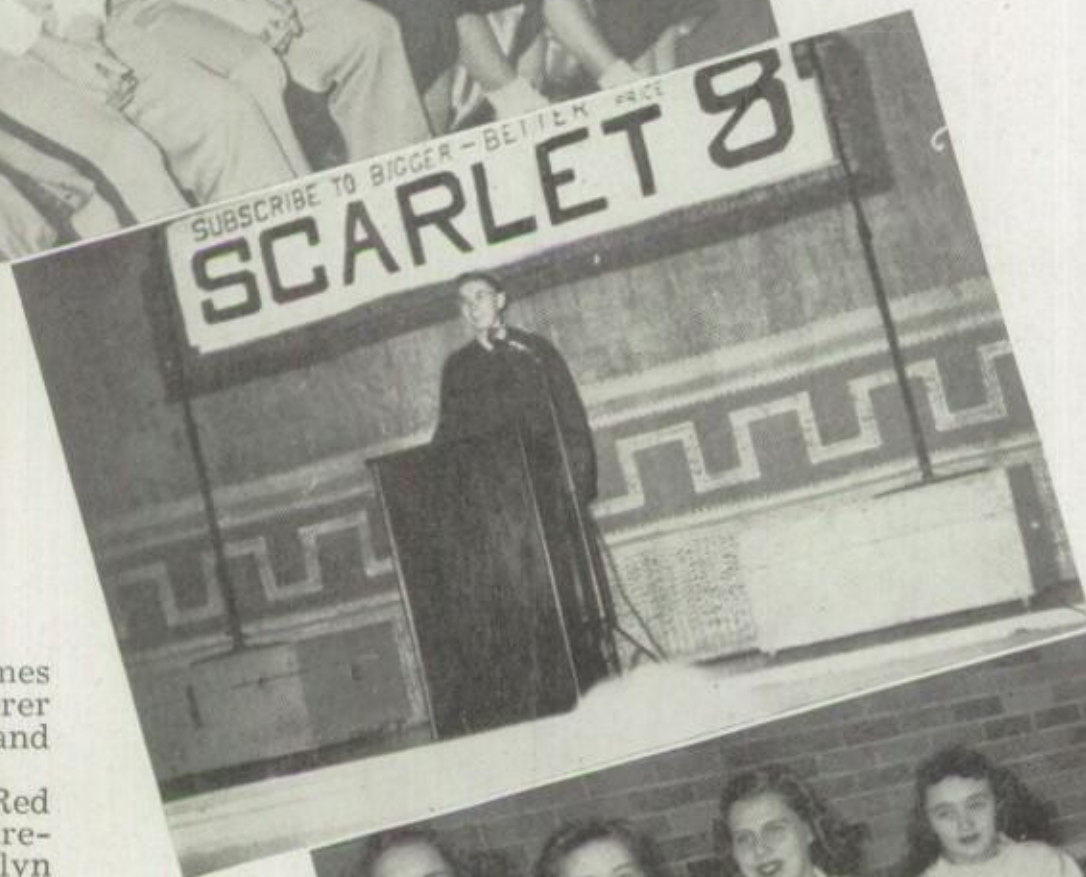

He has been a leader in community affairs, in church groups, in service organizations, and in professional circles.

It is appropos that the members of the staff of the 1949 edition of the SCARLET S of Shelby High School honor Dr. Dowds for the service he has rendered. It is an honor to dedicate this issue of the year-book to Dr. E. D. Dowds.

Standing: Mrs. Edward Wolford, Mr. Reymer Bricker,
Mrs. C. B. Richards.

The Shelby High School Parent-Teacher Association functioned under the leadership of Mrs. E. L. Jackson for the school year 1948-1949. Serving with Mrs. Jackson were the following officers: Mrs. C. B. Richards, vice-president; Mrs. Edward Wolford, secretary; and Mr. Reymer Bricker, treasurer.

The association sponsored two "cake walks" and one benefit card party and style show during the year. The proceeds from these entertainments were given to the Whippet Band fund to be used for the purchase of new equipment. During the school term the association also sponsored a trip for the members of the school band and a banquet at the end of the year.

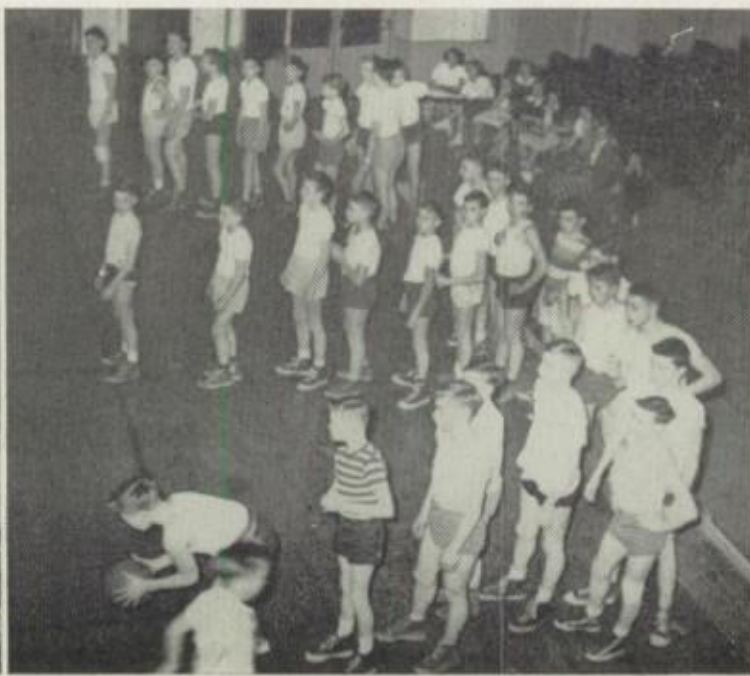

On the last morning of the school year,

a breakfast was planned for the members of the high school faculty.

To aid in the work of the association, Mrs. Jackson appointed the following committee chairmen: Membership, Mr. and Mrs. Clifford Preston; Music, Mrs. J. L. Winans; Art, Mrs. Edward Wolford; Hospitality, Mrs. R. E. Dudenhaver; Sponsorship, Noel Smith; Health, Mrs. E. L. Heck; Publicity, Mrs. Charles Nothacker; Teachers' Representative, Robert R. Wendland; Historian, Mrs. J. B. Clark; and Magazines, Mrs. Wayne Hodges.

The three representatives to the city council of P-T A groups were Mrs. Claire Will, Mrs. E. L. Heck, and Mrs. Waldo Crum.

ADDITIONAL PICTURES OF SHELBY STUDENTS

The staff regrets that it was impossible to group all pupils with their respective classes. Two reasons for this necessary re-grouping were: new pupils entering the school after the pictures were taken, and pupils being absent on the day the pictures were scheduled.

The Shelby Whippets had a difficult time to have games chalked up in the win column. The first team encountered in the season was the strong Fostoria eleven. This was a hard-fought battle and Fostoria emerged the winner. In the first league contest Shelby met Willard. The Railroaders defeated the Whippets.

Shelby was still determined to get into the win column and with this in mind chalked up a victory against the Galion team. The score was 7 to 6. The next week found the Whippets in Bucyrus and this game is forgotten as far as the Shelby team is concerned. Ashland was the next opponent and Shelby lost in a well-fought game.

Bellevue came to Shelby and returned to Bellevue as the loser of this game. The Whippets then traveled to Norwalk and met

the Truckers. Shelby lost this game by the score of 25 to 6. The next "foe" was Upper Sandusky and the Whippets lost this "battle".

In the last game of the season Shelby met and defeated Crestline in a spectacular game. It was a fitting climax to an interesting football season.

The Varsity Basketball season opened with a "bang"—the Whippets met and defeated a strong Fostoria team by the score of 54 to 50. The first league game of the season proved to be one of the most spectacular of the entire season. In this game the Whippets met and defeated the Bucyrus Redmen. This was the only game in which the Redmen were defeated until they met Mansfield in the tournament. This was the first league win for the Whippets. The winning streak continued for the Whippets and they defeated Upper Sandusky and Willard (the six feet six center too). Bellevue seemed to prove too strong for the Shelby team and the Whippets lost in an exciting game by only seven points.

Another very exciting game was the one the Whippets played at Norwalk. Shelby came through in a spectacular finish and almost won this game. It was indeed a "heart-breaker" to lose this one. In the last two league games of the season Shelby won one and lost one.

In the league games Shelby won four and lost three; the season's record was ten wins and nine losses. The final league standing achieved by the Whippets was

a third place tie.

Shelby drew a "bye" in the Mansfield tournament and met Bucyrus on Friday, March 4th. The Redmen seemed to take revenge for the first encounter of the season and they defeated the Whippets in the third quarter of an exciting game.

RESERVE BASKETBALL TEAM

The reserve team in basketball achieved a very outstanding record in this sport during the 1948-1949 season. The team was young and yet the record gained was one that has had very few equals in basketball history of Shelby High School.

This team earned a total of 560 points to their opponents 469. They won fourteen games and lost only five, and two of the losses were to the same team—Willard. In meeting reserve teams of the league schools, Shelby won eight games and lost three.

CHEERLEADERS

Left to Right: Marilyn Stoffer, Leo Fackler, Lou Ellen Fireoved, David Heck, and Elizabeth Karr.

Early in September the student body chose five very capable students to lead the spirit of Shelby onward at football and basketball games. Marilyn Stoffer, a senior, has served three years; Leo Fackler, a senior, was chosen this year and he served during the football season; Lou Ellen Fireoved, a senior, has served four years and was named head cheerleader this year; David Heck, a senior, was selected this year for the first time; and Elizabeth Karr, another senior was named for the second consecutive year.

The cheerleaders sponsored very entertaining programs during the Pep Meeting sessions. They also aided the student body to learn the new Alma Mater song. At all the games they were present to lead cheers and they did this rain or shine. They made it possible for the Whippets who participated in various sports to hear the "victory yells and cheers".

New uniforms were purchased for the cheerleaders. The senior mathematics classes voted to pay for the new outfits which were very attractive.

When Monday night rolls around, the Upper Class GAA girls maneuver themselves into position in the gym for the "King of Sports" for that particular season—be it volleyball, basketball, baseball, tumbling, or what have you.

This year a new leader came to us. She was Miss Jean Altman, who helped the girls reorganize the group. Election was held at the first meeting in September and holding the gavel was Patsy Bell; Elizabeth Karr, the

vice-presidency; Marilyn Stoffer, the minute-books; Beverly Kidwell has the chance to count the money, and lucky Lois Oertle, the job of keeping the points. At this meeting the Constitution Committee was selected, and the girls got under way to make the by-laws. It was decided to award letters at the annual Recognition Day Program to the girls not previously having received them and to the girls already having letters, a chevron for each year of active membership.

THE "S" CLUB

Left to Right:

First Row: Leo Fackler, Jerry Wilson, William Berry, Harold Onie, Stanley Cronenwett, Gary Hogue, Harold Phillips, Donald Wetz, and Kenneth Souslin.

Second Row: Jerry Dennis, John Moore, Charles Knapp, Gerald Clark, Clyde Bell, Gene Monn, Robert Hoover, Larry Young, and Mr. Wilkins.

Absent at the time the picture was taken: David Heck, Tom Wilkinson, Richard Yohn, Jack Boreman, Junior Fackler, Glenn Shade, and Elvin Hawk.

Amid grunts, groans and grins new members of the Shelby "S" Club were initiated into the group at special ceremonies held at the School on Tuesday, March 8th. The new pledges were first sent on a scavenger hunt

which unearthed various specimens—owls, a cow's leg, painted chickens, a fish, a skunk, and the like. They were then given a special dinner in the cafeteria. After this the real initiation ceremonies began. All the new pledges took the ordeal in the stride of good athletes and seemed to enjoy some of the pranks.

"S" Club members must have a varsity letter to be eligible to be a member of the club. The newly initiated members this year were Elvin Hawk, Gary Hogue, Harold Phillips, Gene Monn, Thomas Yetzer, William Berry, David Heck, Clarence Fackler, Richard Yohn, Glenn Lybarger, Glenn Shade, Robert Hoover, Richard Snyder, Charles Knapp, Larry Young, James Berry, Jack Boreman, Tom Wilkinson, Lawrence Paine, Jerry Wilson, John Moore, and Junior Fackler.

The club is sponsored by the football coach, Mr. Wilkins. The officers are Clyde Bell, president; James Will, vice-president; and Leo Fackler, secretary-treasurer.

ACTIVITIES

BUCKEYE BOYS'—GIRLS' STATE

*First Row: (left to right) David Heck, Lou Ellen Fireoved, and William Herlihy.
Second Row: (left to right) Kenneth Souslin, Harold Phillips, James Evans, and Carlos Tucker.*

Over eight hundred boys attended Buckeye Boys' State held at Ohio Wesleyan University in Delaware. This annual gathering serves to educate boys from all over the State of Ohio in the ways of maintaining and controlling the state government.

The six boys chosen from Shelby High School were selected on the basis of leadership, scholarship, activities, citizenship, and

character. Expenses were financed by the local American Legion and various service groups.

Buckeye Boys' State lasted for ten days and the Shelby lads were busily occupied in doing the duties of the offices to which they had been elected or appointed. They held the positions of city health commissioner, supreme court judge, city councilman, safety director, county commissioner, and athletic director.

Buckeye Girls' State was held on the campus of Capital University, Columbus. This is a program similar as that planned for the boys of the state. The girls have the opportunity to plan, organize, and control the government for the state.

Lou Ellen Fireoved represented the girls of Shelby High. In the hotly contested political campaigns, she ran for state governor and carried on a very heated and entertaining campaign.

STUDENT COUNCIL

The Student Council has one of the most responsible tasks of all the student organizations in the school program. This group supervises the school elections, sponsors auditorium programs for the entire student body, assists with the school calendar, plans the Homecoming activities, and sponsors the annual Recognition Day program. All of these programs are financed by the council's members selling programs at the home football games.

The Student Council is composed of one representative from each of the home-rooms and the officers of the junior and senior classes. The council president for this year was Dick Snyder, a junior. The other officers were Clyde Bell, vice-presi-

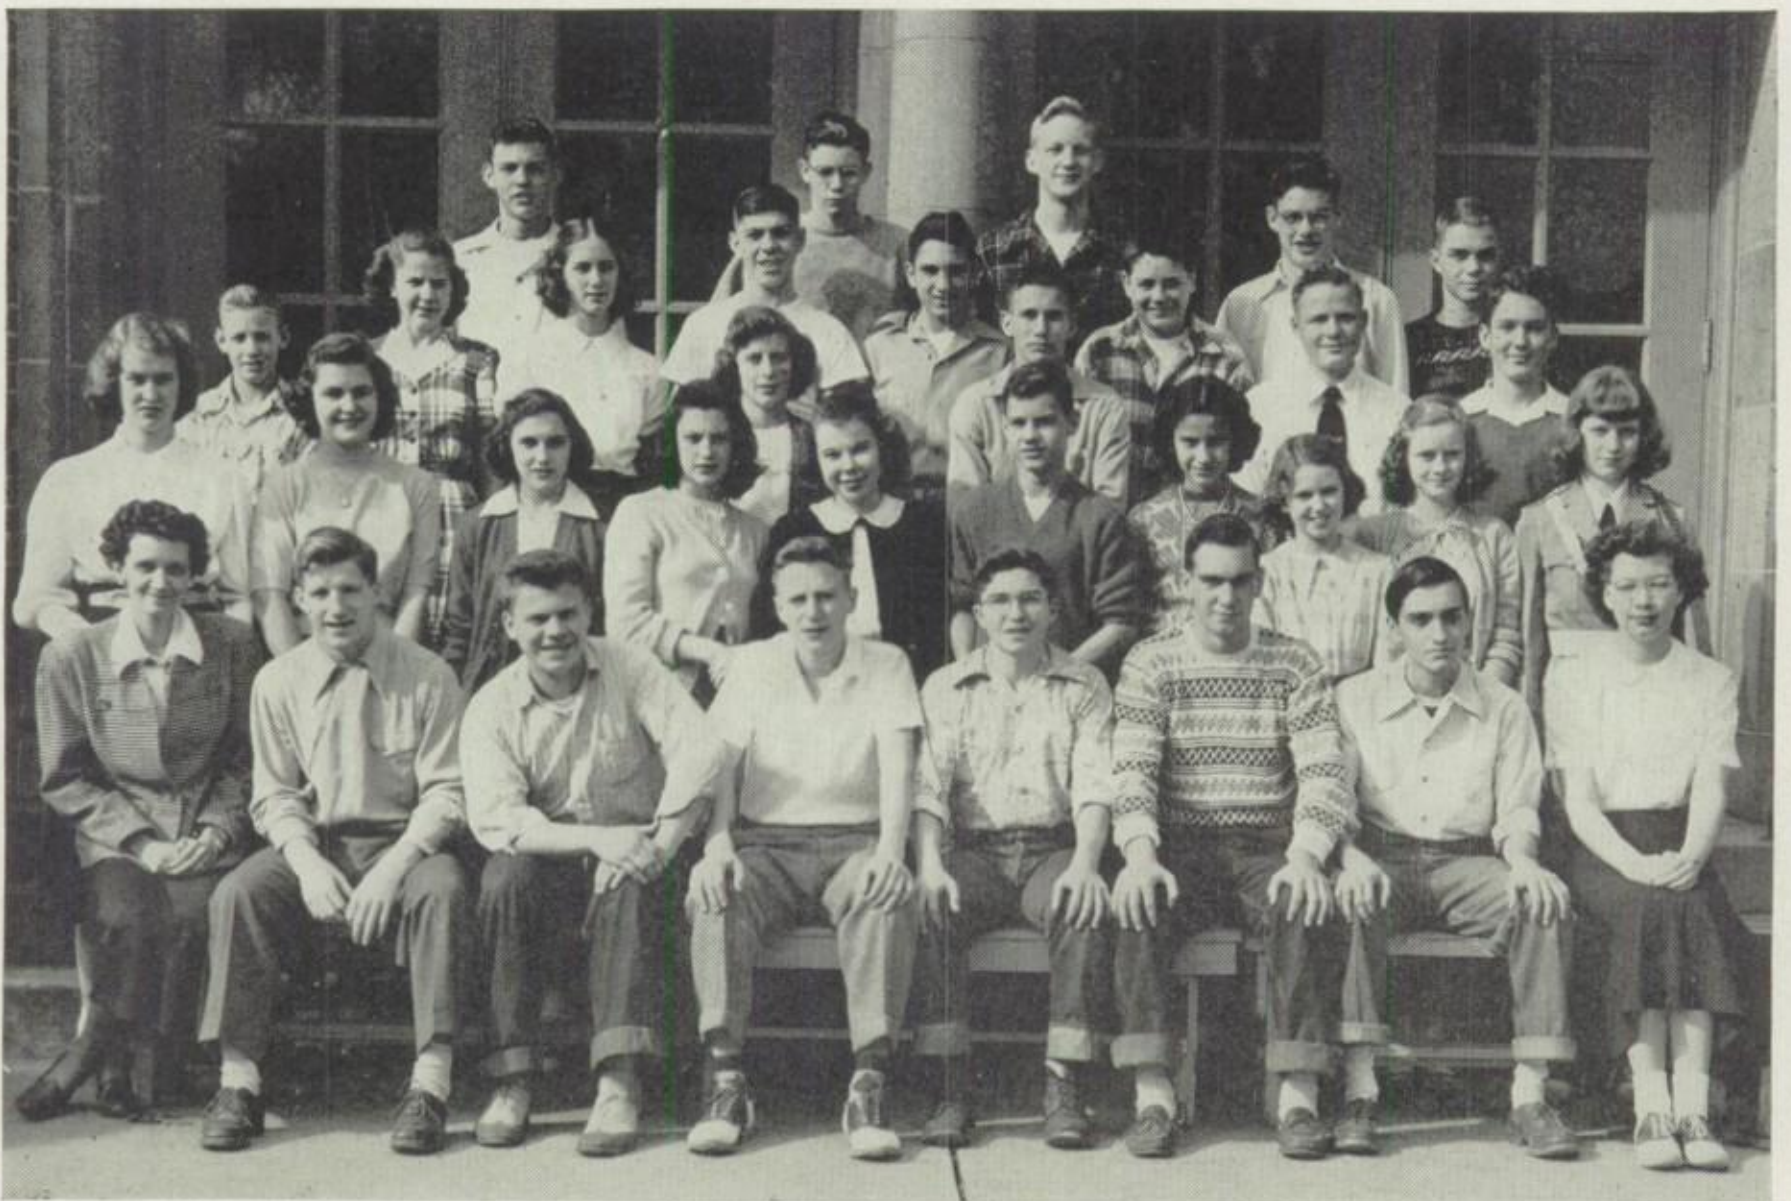

dent; Joan Payne, secretary; and Jerry Wilson, treasurer. Mrs. Edythe Yetzer is the faculty advisor for the group.

First Row: Mrs. Yetzer, Leo Fackler, Charles Patton, William Herlihy, David Heck, Clyde Bell, Robert Steele, and Joan La Bonte.

Second Row: Joan Payne, Beverly Jewell, Margaret Ensman, Betty Reau, Sara Moll, James Smith, Wilma Preston, Sandra Davis, Ruth Winans, and Sandra Anderson.

Third Row: Wincel Ingram, Mary Bricker, Emily Heck, Barbara Dell, Kenny Payne, John DeVito, John McHugh, Robert Utz, Edwin Hawk, Roy Johnson.

Fourth Row: Duane Arnold, William Broderick, Dick Snyder, Dave Gump, Jerry Wilson.

CIRCULATION STAFF

Left to Right: Raymond Strohming, William Herlihy, Clyde Bell, Bernice Albert, William Berry, Janice Cooper, Mary Lou Gallentine, Phyllis Day, Joan LaBonte, Nancy Riley, Ruby French, and Gene Monn.

THE SPIAN CLUB

This year a new organization, the National Thespian Club, was organized in Shelby High School replacing the speech clubs which had served for the past few years. The new group was organized by Miss Ruth Kellermeyer, local speech teacher. The main purpose of the group is to foster an active and interested membership in speech activities in the school.

The Ashland High School Thespian group officiated at the formal initiation ceremonies which were held in February in the Girl Scout Little House.

Leo Fackler was elected to serve as the first president of the new club. Other of-

ficers elected were: Hal Light, vice-president; Beverly Jewell, secretary; Jack Dunathan, treasurer; and Joan Payne, clerk.

The first activity sponsored by the Thespian Club was the "Dance of the Footlights". This was a dance for the upper four grades and music was provided by Glenn Wendland's Orchestra. A novel program, consisting of the appearances of several of Hollywood's leading "stars", was given at this entertainment. In February the group sponsored the all-school play entitled, "Freckles".

First Row: Ann Peyssard, Jeanette Bly, Lucile Clark, Sue Dye, Jo Ann Henson, Beverly Jewell, Joan Payne, Mary Rose Spangler, and Jeanine Thompson.
Second Row: Charles Patton, James Smith, Jack Dunathan, Joyce Crum, Janet Payne, Martha Jean Shook, Lois Oertle, Carolyn Wilkinson, and Miss Kellermeyer.
Third Row: William West, Joseph Rudischum, Glen Pittenger, Keith Garrett, Glenn Shade, Leo Fackler, and David Heck.

EL CIRCULO ESPANOL

For one day of the school year the new Spanish Club members were the most outstanding students in the school. They spent a great deal of their time avoiding senior members and bowing to the ones they couldn't escape. For some unknown reason they wore rubbers and carried umbrellas to classes with them.

As these students became full-fledged members they began to realize some of the joys of belonging to the organization. First came the annual Christmas dance, the Snow Ball, with all its decorations to be prepared. Speros Karas provided the music for a very enjoyable formal dance.

In February Jack Dunathan was host to the club. Members presented entertainment for the group and plans were begun for a Pan-American Day program for the whole school. As in previous years Olives-

burg was chosen as the location for a spring wiener roast.

During the year Joyce Crum served as president; Jim "Diego" Evans as vice-president; and Joan LaBonte as secretary. Nancy Gump and Lois Oertle were co-chairmen of the program committee. Miss Lemponen proved an excellent advisor and spent a great deal of time aiding the group with its plans for the various activities.

The junior members provided much of the brawn needed for the successful execution of the Snow Ball and other less noticeable duties. It is hoped that Spanish Clubs of future years will have such successful organizations and will continue to carry on the annual activities which have proved so popular with the members this year.

Under the able supervision of Miss Leora Kuhn, the Home Economics instructor, the Future Homemaking Club of Shelby High School is preparing its members to live better lives, plan better homes, and live more efficiently.

The Future Homemakers of America were initiated this year by the last year's members in a formal initiation in the High School Cafeteria. They elected as their officers the following girls: President, Virginia Rapp; Vice President, Carol Hope Jones; Secretary, Gwynne Richards; Treasurer, Carol Davis; Musician, Nancy Riley; Scribe, Jean Riley; and others performing

equally important services to the functions of the Future Homemakers of America.

They have served the community in many ways. They have held a Bake Sale, studied First Aid practices, and learned how to plan and operate a more efficient home.

This year marks the first anniversary of their annual "Queen of Hearts" dance. It was held on February 26, 1949, in the High School Gymnasium with Dick Randall and his Orchestra supplying the music. Sally Smith reigned as the beautiful queen with Jean Riley and Mary Alice Brown as her attendants.

Second Row: Elizabeth Karr, Ruth Lux, Patricia Lindenberg, Joan LaBonte, Mary Ann Korbas, Jeanine Thompson, Arlene O'Toole.

The improved efficiency of Shelby High this year was due in part to the competent work of a number of reliable secretaries. These young ladies worked faithfully one period each day for various teachers in different departments of the school.

Four girls aided in the attendance office—completing the attendance records for morning and for afternoon; checking on persons who were absent; and aiding in the completing of attendance records. These girls were Elizabeth Karr, Gwynne Richards, Arlene O'Toole, and Mary Ann Korbas. They worked for Mr. Archdeacon.

Three girls worked in the guidance office for Mr. Wendland. They were Joan LaBonte, Patricia Lindenberg, and Ruth Hollenbaugh. They aided in the typing of the various records and maintaining some of the files.

Sara Colyer was the secretary for the music department. Her duties were varied and included filing, letter writing, and maintaining records.

In the athletics department Grace Hollenbaugh and Ruth Lux were secretaries for Mr. Markin and Marilyn Stoffer was secretary for Mr. Fendrick.

Jeanine Thompson aided in the "keeping" of the books for the various school funds. She worked with Mr. Weaver in the commercial department.

SENIOR CHOIR

Discords, thunderous crashings, beating baton—this is the choir several months before a concert.

Pity the poor history class across the hall. They must suffer through it every Monday, Wednesday, and Friday. Pity Mr. Braden, the competent director, who must try to wring beautiful music from our souls. But

do not pity the choir. They love it. Every once in a while the four parts compete to see who can sing the loudest. But in the four public appearances, Armistice Day Program, Christmas Concert, Combined Band and Choir Concert, and Annual Spring Concert, the public has heard a fine blending of voices in perfect harmony accompanied by Sally Harbaugh and Emily Heck. That is when the history classes, the choir, the accompanists, and Mr. Braden are really happy.

Left to Right: Sara Zebold, Margaret Gavin, Lou Ellen Fireoved, Shirley Bourgeois, Nancy Riley, and Nancy Gump.

SEXTETTE

The sextette this year is back in the old grind of many public appearances. Every Tuesday and Thursday one can hear a few sour notes, a little reprimanding, and a little giggling which all go into the process of singing and loving it.

This year the members were Shirley Bourgeois, Lou Ellen Fireoved, Margaret Garvin, Nancy Gump, Nancy Riley, and Sara Zebold. And pinch-hitting for Sara Zebold during her illness was Ethel Workman. These girls were accompanied by Mr. Robert Cottrell.

Freshman and Sophomore girls who like to sing find a place for their talents in the Glee Club. Every Tuesday and Thursday they gather together for an hour of group singing. Under the direction of Mr. Paul Braden they have appeared in the annual Christmas Concert, the Spring Choir Concert and in numerous outside programs. They were accompanied by Martha Laughbaum. This group has appeared before a number of organizations and entered the contest in April.

DRUM MAJOR AND MAJORETTES

Left to Right: Jeanette Bly, Anna Lee Irely, James Barkdull, Margaret Garvin, and Betty Reau.

The music department of Shelby High has been attracting the attention of many people during the past few years. The band has been one phase of that department which has really placed Shelby High out in front.

During the fall months and football season the band is under the supervision of Mr. Somerville while during the concert season Mr. Braden serves as director. The band took an important part during the choir and band concert, the annual spring concert, and the 1949 spring festival which was held at Shelby.

At every football game, at home and away, the marching band was there to help in leading the Whippets to victory. "Black lights"

were used to present a very unusual and effective half-time program for the fans. The colorful costumes of the majorettes, the unusual dance numbers, the splendid marching formations, and the announcing by John Purdy were used to attract the attention of Shelby and visiting fans.

During the basketball season the concert band played at all the home games. Senior members of the band were permitted to act as director for these programs.

The Shelby Whippet Marching and Concert Bands have carved a unique place in the annals of the history of this school.

CLASS PROPHECY

Dear Berniece:

Yesterday I was at the Barnum, Bailey, and King Circus. *Merlin* is the master of ceremonies. I met *Bill Berry*, in the company of three beautiful girls. He is still quite the ladies' man. By the way, these beautiful girls were *Tillie Clark*, who is still playing the field, *Alice McKinney*, one of the nation's leading psychiatrists, and *Lorene Bonecutter*. Saw *Paul Gosser*, too. He's finally learned to drive with all four wheels on the road. *Bob Steele* was chaperon for a group of Utopia Business College students where he is Dean of Students. *Kenneth Sousslin* is an instructor in the same college. *Gene Monn* was exhibiting a pen of highly trained sweet-scented goats.

This was the last appearance of the circus this season, and *Gary Hogue* will miss the trade when the circus leaves town, as his coast to coast meat market was supplying the circus with tons of fresh meat.

Football season opened last night, and I attended a game in the newly dedicated stadium, designed by *Ruth Hollenbaugh*, nationally famous architect. The head football coach this year is *Clyde Bell*, ably assisted by *Jim Will*. They were playing *Bucyrus* and imagine my surprise to see that their coach was none other than *Red Fackler*. A slight accident occurred when *Junior Sheerer* tried to park his new Cadillac in the space where he used to park his little yellow Ford Coupe. *Joyce Crum* was on hand helping the other band mothers hand out sandwiches, and *Shirley Bourgeois* was chewing her nails on the 50-yard line, listening to her young quarter-back call signals. The band performance at the half was under the able direction of *Mary Martha Hassler*, director of music in Shelby. *Ruth Shira* has been making recordings of the band performances at the half, and sells the records in her own store. Also on the faculty at Shelby is *Berniece Albert*, teacher of mathematics. I saw *Richard Wheeler*, driving a Lincoln, come into the game. *Dick* is quite a successful farmer these days. *Carol Davis* was in charge of the Senior Stand, as she is the dietician in charge of the modern new school cafeteria.

Plans are underway for Homecoming. The queen and her attendants will have their hair done at *Janet Stine's* Beauty Salon. Her chief operator is *Mary Lou Gallentine*. *Tom Yetzer* is heard on the loud speaker as master of ceremonies at the half-time performance for each home game. *Phyllis Day* will furnish one of the convertibles for the queen to use, guaranteed to be in perfect mechanical condition.

Hal Light, editor of the *Ganges Daily Blabber* and *Jim Miller*, co-editor, were both at the game getting the latest news for their paper. *Joanne Bonnett* has been instructing the driving class at Shelby High and *Wini-gene Cline*, one time driving student, has now won the National Auto Races at Indianapolis. While in Indianapolis she stayed with *Mildred Snavely*, soloist with Cadle Tabernacle. *Kenny Yosick* was home for the game, and is returning to the Hawaiian Islands where he is an Ensign on the U.S.S. *Latimer*. *Dick DeWalt* came to the game on his latest model Whizzer bike which he has remodeled and improved. *Gerald Clark* is anxiously awaiting basketball season as he will be Shelby's basketball coach this winter.

Rose Marie Sprague owner of the "Tops" and *Don Clark* owner of the "Ritz", famous night clubs, enjoy friendly rivalry in their business. *Bill Herlihy* has passed the bar examination and rumors are he may run for Governor. And speaking of politics, *Lonzie McKenzie* as a result of this years democratic convention, is on the ballot as a possible U. S. President. *Stanley Cronenwett* president of the A.C. & Y.R.R. will furnish a private train for *Lonzie* to promote his campaign.

Shelby's new hospital, *Mercy-Crest*, is ably staffed with *Joan LaBonte* as supervisor of nurses and four others of the Class of '49 working under her, *Naomi Houpt*, *Sallie Humphrey*, *Harriet Hager*, and *Marjorie Laser*. *Rev. Donald Sullivan* has been counselling the youth of Shelby, and *Martha Jean Shook* is Secretary of Ohio State Christian Endeavor Union. *Sally Smith* has her own dancing school and *Sara Zebold* has a music studio. They collaborate in their work. Among their pupils are children of some of the '49ers you will remember—*Pat Schaub*,

Ruby French and *Bessie Gray* each send two to take lessons, *Marilyn Striker* furnishes five and *Marie Peyssard* sends four. *Sally* and *Sara* say they are all bright pupils.

After the game students flock to *Isaly's* where *Jim Ensman* and *Jim Jones* are manager and co-manager of the new store. Another popular spot is the "Tasty Milk Bar" owned and operated by *Jim Evans*. *Elvin Hawk* is now manager of the Shelby "Blues" which is such a growing organization that *Lois Oertle* is his full time secretary. Two in our class have won fame in athletics. *Lillian Carpenter* at the Olympics, and *Joe Bilka* is light heavyweight champion of the world. Oh, yes, I should have mentioned *Lizzy Karr*, too. She is an instructor in cheerleading at Ohio State.

Chad Finnegan has replaced the former "Johnny" on the Phillip Morris program. *Rebert Binion* has written a book on "All Men Are Created Equal".

Verlin Hewitt still has one foot in the grave-digging that is. *Bob Gross* in his new market on West Main St., supplies *Charlie Patton* with the hamburger for his "Hamburg Charlie" Shop. Seven of the '49ers liked their work at the new Mutual Office so well, they are still there, even though most of them have their own homes to look after, too. They are, *Jacqueline Auck*, *Mary Ann Korbas*, *Ruth Lux*, *Donna Mae Metzger*, *Ethel Workman*, *Donna Gates*, and *Janice Cooper*. *Don Wetz* replacing *Bing Crosby*, and *Nancy Gump*, are both featured in Metropolitan Opera. *Neil McNeill*, Treasurer of the Ohio Seamless Tube Co., has as his private secretary, *Pat Lindenburg*. *Nancy Riley* recently was featured in *Life Magazine* as Queen Telephone operator in Cleveland.

Bob Rieth has one of the largest motor sales in Shelby, and among his employees are *Marilyn Kiser*, switchboard operator;

June Altoff, interpreter for foreign trade, *Lou Ellen Fireoved*, head of the sales department. *Marvin Rader*, *Glindon Adkins*, and *Francis Spangler*, are salesmen for his new line of jet propelled helicopters that he has added to his trade.

Ray Strohming is manager of a new factory in Shelby, *Stretch-Easy-Garter Co.* To entertain his employees, he hired *Verlin Kempf* with his own dance orchestra to furnish music for dancing. His star trumpet player is *Sara Colyer*, and first trombonist is *Carlos Tucker*.

Jeanette Loescher is a special dietician at the Shelby Inn, and *Hopey Jones* is managing the Baker Boy Shop which furnishes calorie-free rolls for the Inn.

Donna Wilson is Home Demonstration Agent for Richland County. *Marilyn Stoffer* is one of the few members not in Shelby. Her husband is a coach at Bowling Green State University. *Howard Cole* has written his second book on "Economics in the Life of the High School Student." *Pat Arnold* is happily living in Mansfield. *Duane Davis* is co-owner of the Hodges-Davis Coal Co., and *Dave Heck* has taken over the ownership of the local Chevrolet agency. *Janet Payne* has her hands full with two sets of twins in high school. *Harold Phillips* is running competition to Dave with his Dodge agency.

You see I get plenty of news about our class by still working in Mr. Archdeacon's office. Attendance problems are much worse than they were when we were in school, that's why he needs a full time secretary. So glad to hear from you and to know you are succeeding so well in your chosen field. Just finished reading your latest novel. Recognized some of our old teachers in the school you wrote about.

As ever,
Gwynne.

First "Chrome-Moly" Steel Tubing For Aircraft

was developed and produced in 1921-22 by The Ohio Seamless Tube Company. "Chrome-Moly" is the name now familiar to every aircraft manufacturer.

Through continuous research, sound design, and precision manufacture, OSTUCO has maintained undisputed leadership in this highly specialized field of aircraft tubing and has contributed greatly to the progress of American aviation.

There's a certain thrill and pride which comes from the knowledge that our products are playing so vital a role in man's conquest of the sky and are helping in many other ways to build a better world for today and tomorrow. OSTUCO welcomes the challenge of the future, confident that the new generation will carry on the traditions of pioneering and excellence which have established Shelby as the tube center of America.

Congratulations . . .

To the Class of '49

AS another school year draws to a close we are privileged to extend our congratulations to the graduates of Shelby High School. Our confidence in the training program offered by our schools prompts us to believe that you now have the foundation for a successful and prosperous career, enabling you to take full advantage of the many opportunities before you.

Many of you will enter industry and a typical example of its constant growth is here illustrated by this new building which represents the most recent expansion of The Shelby Salesbook Company's manufacturing plant — a familiar scene to you who, on your way to and from school, have observed its progress of construction.

These added facilities will enable the "Salesbook" to further improve its customer service, providing American business everywhere with efficiently made printed forms. We hope that you too will rely on Shelby's products in your future business life.
